MEMORANDUM

**TO : ALL MEMBERS
REGULAR, ASSOCIATE AND
SPECIAL MEMBERS**

**SUBJECT : PARTICIPATION IN MINING
PHILIPPINES 2009 EVENT**

Our membership meeting yesterday with DENR Secretary Jose L. Atienza, Jr. and Director Horace Ramos was meant to drum up support for our MINING PHILIPPINES 2009 Conference and Exhibit. Sec. Atienza in giving his full support to our event will be mobilizing all the Regional Mineral Development Council Chairman and MGB Regional Technical Directors to attend as well as all the members of MDC.

The support MDC/DENR/MGB are giving to this important event to sustain and accelerate the mining industry's development is laudable and we hope that the full cooperation and support of members will be there too.

Let us show solidarity and unity because without the member's cooperation, we will not be able to surmount the challenges that have been coming before us.

We enjoin members to attend and support the conference.
